

EQUISCRIPT™

Bringing Health Back Home

PROGRAM OVERVIEW

Equiscript helps you find the patients who go to pharmacies outside of your 340B network, and calls these patients to offer them free home delivery of their medications.

No other 340B Program:

- **Helps you find the patients you are missing**
- **Contacts these patients to offer them home delivery**

With Equiscript:

- ✓ 100% New savings generated
- ✓ Personalized patient service
- ✓ Better medication adherence rates
